

NICOLAS PALOMARES

FRONT END DEVELOPER

Leipzig, Germany | nicolaspalomares360@gmail.com

SUMMARY

Front-End Developer with a strong focus on **TYPO3, Vue, and React**. Over the past 2 years, I've developed and customized TYPO3 templates, integrated complex frontend designs, and built reusable components to ensure flexible content management for clients. Fast learner, team-oriented, and always bringing a friendly, collaborative energy to projects.

TECHNICAL SKILLS / TOOLS
